Azimut grants stock options

Longueuil, Quebec. - **Azimut Exploration Inc.** (“**Azimut**”) announces that a total of 360,000 stock options have been granted to its directors and officers. These options have an exercise price of \$3.03 per share and are exercisable during a 5-year period. The exercise of these options is subject to certain vesting provisions in accordance with Azimut’s stock option plan.

Azimut is one of the most active mineral exploration companies in Quebec. In 2008, at least 18 concurrent exploration programs will be performed with aggregate partner-funded budget of \$12 million. Azimut’s objective is to discover major ore deposits using an innovative targeting methodology combined with considerable exploration know-how.
